

Technical Specifications for GREEN PITCH

FRONT:

A High quality system is required. The system must be of a minimum 2 way active system, including high quality crossovers and amps.

The system must be capable of delivering a clean and undistorted sound, with a uniform coverage of the venue, including balcony or similar spaces, **at a minimum of 105 dB-A.**

It must have an effective frequency response from 40 Hz – 20 kHz at sound levels reaching approx 110 dB SPL.

The system must be totally free of hum and noise.

MIXING CONSOLE FOH:

A 16 channel input mixing desk, with a four band parametric eq on each channel. Channels must also include high pass filter, 48v phantom power and insert options.

The console must have a minimum of 6 aux sends, 3 pre fader (if monitors from FOH) and 3 post fader for FX. VCA and mute groups are preferred.

The FOH position must be in the center of the hall 2/3 from the stage front.

FX RACK FOH:

1 x TC Electronics multi FX (M2K, 3K, 4K, 5K, 6K)

1 x TC Electronics 2290 or D-Two

5 x Compressor dbx 160a or BSS DPR-402 is preferred **NO BEHRINGER!**

31 bands 1/3 octave graphic EQ. for L+R and monitors.

MONITORS:

3 x identical wedges preferably 12"/15" and HF, bi-amped.

Monitors must be totally free of hum and noise.

TRANSFORMERS:

All the equipment we are using is operating at 230 v / 50 cycles. If the voltage is diverging this, we need transformers that can give us 230 v stabilized AC power. All sockets have to be SCHUCO!

Total power consumption on all positions will not exceed 10 ampere 230 v.

MISC:

The complete system must be up and running upon arrival of artists crew/soundengineer for load in.

Artist will need at least 90 min for soundcheck.

One engineer familiar with the system is to be present at all time, from load-in, during soundcheck and performance. At load-in/out one strong and sober stagehand will be needed.

Any difficulty, whatsoever, meeting these specifications must be sorted out with the artist / management.

Any changes of the specifications are only to be made on their authority.
